## **Terra Costa Howard announces key endorsements in her campaign for 48<sup>th</sup> District State Representative**

LOMBARD – With the Nov. 6 election just a few weeks away, Democrat Terra Costa Howard on Tuesday proudly announced that she has earned the endorsement of Illinois State Comptroller Susana Mendoza.

“Terra Costa Howard is smart, thoughtful, trustworthy, and independent,” Mendoza said in announcing the endorsement. “As someone who spent 10 years as a State Representative, I know that Terra has what it takes to serve her district with energy and integrity. She will bring a strong new voice to the 48<sup>th</sup> District.”

“I am so honored to receive Comptroller Mendoza’s endorsement,” Costa Howard said. “She has been a trailblazer and an inspiration to everyone in Illinois who cares about fiscal responsibility and effective, responsive government. I look forward to working with Comptroller Mendoza in Springfield to put our state on a solid fiscal foundation and bring tax fairness to the people of our district.”

Costa Howard’s campaign continues to gain momentum. Over the past few weeks, she has gained a number of high-profile endorsements, including the Illinois Nurses Association, SEIU Healthcare, EMILY’s List, and Equality Illinois.

“I am proud to have earned the support of so many organizations and elected leaders who share my commitment to working families, better schools, a healthier environment, and equality for all,” Costa Howard said.

Terra Costa Howard is a lawyer, a small business owner, a wife, a mother, and a tireless advocate for children and people in need. She is running for State Representative because she believes the people of the 48th District deserve excellent public schools, fair taxes, and the freedom to make their own reproductive health decisions without government interference.
