## **Daily Herald endorses Democrat Terra Costa Howard for 48<sup>th</sup> district State Representative**

LOMBARD – Citing her “passion and her advocacy for the district,” the *Daily Herald* has endorsed Democrat Terra Costa Howard for 48<sup>th</sup> District State Representative.

“We believe her background as a lawyer, certified mediator and past member and president of the Glen Ellyn Elementary District 41 school board gives her added insight as well as experience in seeking compromise,” the *Daily Herald* Editorial Board stated in announcing its decision. “We endorse Howard.”

With the Nov. 6 election just a few short weeks away, Costa Howard has garnered a impressive list of endorsements. Last week, she announced that that Illinois State Comptroller Susana Mendoza had joined U.S. Rep. Raja Krishnamoorthi and U.S. Rep. Bill Foster in endorsing her candidacy.

Costa Howard also has been endorsed by a number of labor unions and advocacy organizations, including the Illinois Nurses Association, SEIU Healthcare, EMILY's List, and Equality Illinois.

“I am proud to have earned the support of so many organizations and elected leaders who share my commitment to working families, better schools, a healthier environment, and equality for all,” Costa Howard said.

Terra Costa Howard is a lawyer, a small business owner, a wife, a mother, and a tireless advocate for children and people in need. She is running for State Representative because she believes the people of the 48th District deserve excellent public schools, fair taxes, and the freedom to make their own reproductive health decisions without government interference.
